

**September - 15/09/2025**

**“MEDICAL RECORD DOCUMENTATION PROGRAMME”  
FOR  
WORLD PATIENT SAFETY DAY  
AT  
SRI RAMACHANDRA HOSPITAL (SEPTEMBER 2025)**

As part of **Patient Safety Week**, our institution is organizing a **Mass Health Education Program** aimed at promoting patient awareness, prevention, and safe healthcare practices. The activities will commence on **Monday, 15 September 2025**, and will focus on educating patients and their attenders in outpatient areas through targeted health education sessions.

Through interactive and topic-specific sessions, patients were guided on simple yet critical practices that contribute to safer health outcomes and improved well-being.

These sessions are designed to empower patients with essential knowledge that support safer care, early prevention, and improved health outcomes

***Program Highlights:***

The health education sessions will be conducted at the following OPD locations:

- **Geriatric Medicine / Medicine OPD (Ground Floor)**

*Topic: Fall Prevention and Safety for the Elderly*

- **Paediatric OPD Area**

*Topic: Immunization Schedule and Its Importance for Children*

- **OBG OPD**

*Topic: Antenatal Care and Breastfeeding Awareness for Expectant and New Mothers*
